Autumn Potpourri

A smile adds a great deal to face value.
The first duty of love is to listen.
Striving for success without hard work is like trying to harvest where you haven't planted.
Always remember that strength is attained by meeting resistance.
It's all right to hold a conversation.... But let go of it now and then.
No snowflake in an avalanche ever feels responsible.
An ounce of don't of don't-say-it is worth a pound of didn't-mean-it.
Live your life so you don't have to hide your diary.
It isn't necessary to blow out the other person's light in order to let your own light shine.
If you think education is expensive, try ignorance.
Happiness is living each day as though it were the first day of a marriage and the last day of a vacation.
