I BELIEVE

I believe in the supreme worth of the individual and in his right to life, liberty and the pursuit of happiness.

I believe that every right implies a responsibility; every opportunity, an obligation, every possession, a duty.

I believe that the law was made for man and not man for the law; that government is the servant of the people and not their master.

I believe in the dignity of labor, whether with head or hand; that the world owes no man a living but that it owes every man an opportunity to make a living.

I believe that thrift is essential to well ordered living and that economy is a prime requisite of a sound financial structure, whether in government, business or personal affairs.

I believe in an all-wise and all-loving God, named by whatever name, and that the individual's highest fulfillment, greatest happiness and widest usefulness are to be found in living in harmony with His will.

I believe that love is the greatest thing in the world; that it alone can overcome hate; that right can and will triumph over might.
