Stewardship
Giving of our time, talent and treasure is not about giving until it hurts. Rather, it is about giving until you feel good about what you have given.
How much you have has nothing to do with generosity to God. If you don't give of your time, talent and treasure with what you have, you most likely won't do it if you have more.
"Whoever is faithful in small matters will be faithful in large ones."
(Luke 16:10)
