Spring Ponderings
The only people you should try to get even with are those who have been good to you.
Worry is like a rocking chair. You may feel like you're doing something, but it won't get you anywhere.
Like a muscle, faith must be exercised to be strong. This is the reason for the challenges in our lives.
If the road you are walking is too free from care, check to see if you are headed in the right direction. Satan loves to change the road signs.
