Enjoy Life When You Can  
Life is too short to wake up in the morning with regrets.  
So, love the people who treat you right  
And forget about the ones who don't. And believe  
Everything happens for a reason...  
if you get a chance - Take it  
if it changes your life - Let it  
Nobody said that it would be easy...  
They just promised it would be worth it.
