The Smile Of God Is Victory

To have grown wise and kind is real success. Three qualities vital to success: toil, solitude, prayer. To be a winner in life, we must first be a winner inside. The worst bankrupt in the world is the man who has lost his enthusiasm. Let a man lose everything else in the world but his enthusiasm and he will come through again to success. The only thing that stops you is yourself. Period. 'Tis man's to fight, but Heaven's to give success
